

A dark, teal-tinted photograph of a herd of cows in a field with mountains in the background. The cows are scattered across the foreground and middle ground, some looking towards the camera. The background features a range of rugged mountains under a dark sky. The overall mood is somber and quiet.

DISCUSSION QUESTIONS

- Introduce yourself. Please share your name, organization, location, scale at which you work (community, regional, state, etc.)
- Share one action item you identified over the last two days?
- Are there opportunities to work with others in your region to partner or collaborate on the action?
- Would it help to check-in or communicate with others in your region to measure progress?
- Are there opportunities for your individual action to grow through community action?
- Could this culminate in a regional gathering or meeting?
 - What steps and support would you need to make this happen?
